

Don't Clean Up The Leaves In Your Yard Just Yet!

The Camrose Environmental Sustainability Group encourages residents to leave leaves in your yard to have a positive impact on local biodiversity.

stewardship@battleriverwatershed.ca

The Alliance

Battle Lake Community Science Program

BRWA is pleased to coordinate lake and wildlife monitoring opportunities for residents at Battle Lake, the headwaters of the Battle River Watershed. Special thanks to a program contribution from the Battle Lake Natural Area Preservation Society.

To learn more about volunteer opportunities, email engagement@battleriverwatershed.ca
